ibvine.io | ibmock.ai

About

IB Vine is a leading interview-prep platform built for students recruiting for investment banking and related finance roles. Since 2019, **200K+ students** from hundreds of universities worldwide have used IB Vine to prepare for analyst and associate interviews at top investment banks and private equity firms. In 2025, we launched **IB Vine 2.0** along with **IB Mock**, our AI-powered voice mock interview platform.

What Students Get

Students can access either or both of our complementary platforms that support mastery of **content** plus **delivery**:

ibvine.io • Diamond Tier	ibmock.ai • AI Voice Mock Interviews
• 1,800+ curated technical and behavioral questions with expert answers (1,200+ questions from real interviews) • Technical review modules (with audio lessons) • Advanced personalization: filter, save, randomize, add notes) • Self-paced prep designed to fit accelerated recruiting timelines	• Real-time AI voice-to-voice mock interviews • Build custom sessions: bank, topic, difficulty, question type • Automatic feedback, scoring, transcript, and recordings • Tracks improvement over time • Scalable alternative to limited staff and peer availability

University Partnership Options

Universities can purchase licenses for one or both of our offerings:

ibvine.io • Seat Licenses	ibmock.ai • Interview Minutes
• Flagship product • 6- or 12-month duration per student • Full Diamond Tier access including technicals, behaviorals, review modules, audio lessons, and interview library • Ideal for organizations supporting comprehensive IB preparation	• Next-gen AI mock interview coach, purpose-built for investment banking • Purchase bundles of AI-interview minutes allocated per student • Includes detailed feedback, complete transcripts, and session recordings
